

Hello Brothers & Sisters in Christ,

My name is Fernando García and my wife's name is Isabel.

We are missionaries serving in Mexico City doing outreaches to help local churches reach their communities for Christ.

We teach evangelism seminars, give missionary conferences, reach out to persecuted, indigenous Mayans and help the poorest of the poor in our country, following what the Lord has taught us in Isaiah 58:10, "...and if you spend yourselves on behalf of the hungry and satisfy the needs of the oppressed, then your light will rise in the darkness, and your night will become like the noonday."

For 15 years my wife has suffered from Gastritis and Acid Reflux. Recently the Gastroenterologist recommended surgery for Isabel to close the hole that is between her stomach and esophagus (she has a hiatal hernia). This will give her a better quality of life and she will be able to travel again with me to do ministry with the local and persecuted church.

We do not have medical insurance, and Isabel really needs this surgery. We trust that God can provide the funds that we need. We are trying to raise \$ 3,000.00 USD to cover the cost of the surgery. If you are willing and able to help it would be much appreciated.

Thank you very much for any help you can give. You remind us of the Acts church in chapter 2:44-47 as they had all things in common and they were helping each other.

Thank you for coming alongside us in this time of physical need.

God bless you all.

Fernando and Isabel García
